

Friends,

I was moved to put together this paper to expose the Occult/Anti-Christ agenda that is deceiving many. Please realize that the enemy has come out in the open and is moving forward at a rapid pace to deceive many. The Occult Anti-Christ agenda has taken over the four major industries that influence America and many other nations. Those four industries are Music (both secular and so called Gospel); Entertainment (movies, TV, cartoons, (commercials); Sports (athletes with their many tattoos with demonic symbols, pre-game rituals, throwing up the third eye symbol, etc), and Fashion. This short paper deals briefly with fashion because so many innocent people, including church folk are wearing clothing that promotes the Occult Anti-Christ agenda. These clothing are full of Egyptian, Masonic, illuminati, etc symbols which promotes their agenda. You can find these clothes in every store, including Wal-wart, and they are not hidden, but out in the open. The Occult Anti-Christ agenda is no longer secretive, but in your face. That is what happens when the church remains silent and rejects the laws (Torah) of Yahweh, wickedness increases when the so called righteous remains silent. I am pleading with the Church to WAKE UP and turn from their wicked (twisted, twisting the Word) ways and seek truth before it is too late. The days of debating over issues as (can woman preach, will we be raptured, is the church tongue babbling biblical, who can and cannot preached based on ordination), and many other issues is over. These debates have caused division and lack of power and wisdom; it is time to seek the face of Yahweh and get true wisdom and discernment that comes from the Father. This occult anti-christ agenda is robbing us of our children; most of the children have already been influenced by what is happening as well as many adults. Please, Please wake up and do something. My prayer is for Yahweh to restore real prophetic voices back to the church, those who are so burdened by what is happening that they stay before Yahweh in prayer. My prayer is for the false prophetic voices that are still trying to become famous, be silenced and the church wises up and stops listening and following their vain hopes messages. Friends, you all know that I care about you and sometimes I come off a little strong, but Yahweh knows that I am desperately trying to get you to listen and heed what the Yahweh is saying to His Church. Sometimes I feel like Noah, warning and warning when no one is really listening. Yahshua Messiah said, "as in the days of Noah, so shall be the coming of the son of man" Matthew 24:37.

I love you all and I am praying for you,

May Yahweh **Bless you all,**

**Minister James Pride**

## Occult Symbols

**LION:** An ancient symbol of the sun, dominion, power, ferocity and bravery, the "king of the beasts" was often used on heraldic shields, flags or banners by medieval European rulers. In Tarot cards, an occult system of divination based on the Kabbala it symbolized strength or power. In ancient mythology it was identified with sun worship and the imagined power of both gods and goddesses. The lion head ringed by its golden mane would be used in ancient mystery initiations and ritualistic sun worship. While pagan nations used it to represent their mythical views of reality, the lion was created by God. **PHOENIX:** A universal symbol of the sun,

mystical rebirth, resurrection and immortality, this legendary red "fire bird" was believed to die in its self-made flames periodically (each hundred years, according to some sources) then rise again out of its own ashes. Linked to the worship of the fiery sun and sun gods such as Mexico's Quetzalcoatl, it was named "a god of Phoenecia" by the Phoenician. To alchemists, it symbolized the destruction and creation of new forms of matter along the way to the ultimate transformation: physical (turn lead into gold) and spiritual (immortality - an occult alternative to the Christian salvation). The philosopher's stone was considered the key to this transformation.

**Double-headed EAGLE:** A Masonic seal and initiation symbol. The number inside the pyramid over the eagle's head is 33. The eagle is a universal symbol representing the sun, power, authority, victory, the sky gods and the royal head of a nation.

## Occult Symbols

The logo of TBN looks similar to the Coat of Arms of Order of the Garter member Prince Charles. Charles is a leading member of the Ecumenical Movement, the radical environmental movement, and he is a part of the Windsor family tree. Notice on the TBN logo, there is a descending dove next to the cross. The descending dove is found in the logo of the O.T.O. or the Ordo Templi Orientis (The OTO logo has the Eye of Horus and the cross with equal sides on it). The descending dove is also on the logo of the Papal Knight of Columbus. The K of C is the Catholic version of Masonry that wants the Papacy to rule the world basically. Leading TBN preachers show the pagan il canuto hand-sign (which Satanists and occultists love to show publicly) as well. Those who do it include some of Christianity most popular preachers. Check out the crown with the Iron Cross on the top, and the “All Seeing” Eye in the middle of the crown. ALL-SEEING EYE: A universal symbol representing spiritual sight, inner vision, higher knowledge, insight into occult mysteries. Masonic symbol for the all-seeing eye of god - an mystical distortion of the omniscient (all-knowing) Biblical God. On top of the crown on the Iron Cross.

Sometimes erroneously called the Maltese cross, the Iron Cross (German: das Eiserne Kreuz) is a military decoration of the Kingdom of Prussia, and later of Germany, which was established by King Friedrich Wilhelm III of Prussia and first awarded on 10 March 1813. The Iron Cross is only awarded in

wartime. In addition to the Napoleonic Wars, the Iron Cross was awarded during the Franco-Prussian War, and the First and Second World Wars. The Iron Cross has not been awarded since May 1945. It is a military decoration only — civilians are ineligible.

The Iron Cross originally was the symbol of the Teutonic Knights (a heraldic cross pattée) and the cross design (but not the specific decoration) has been the symbol of Germany's armed forces (now the Bundeswehr) since about 1870. People associate it with Nazis, because many of the Nazi troops had been awarded this medal...

Occult Symbols

Revelation 13:1 And I stood upon the sand of the sea, and saw a Beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy.

Revelation 13:2 And the Beast which I saw was like unto a Leopard, and his feet were as the feet of a Bear, and his mouth as the mouth of a Lion: and the Dragon gave him his power, and his seat, and great authority.

Psalms 22:19-21

"But be not thou far from me, O LORD: O my strength, haste thee to help me. 20 Deliver my soul from the sword; my darling from the power of the dog. 21 Save me from the lion's mouth: for thou hast heard me from the horns of the unicorns.

## Occult Symbols

Similar to many secret societies, the O.T.O.'s membership is based on an initiatory system with a series of degree ceremonies that use ritual drama to establish fraternal bonds and impart spiritual and philosophical teachings.

Other than the Eye of Horus and the Pyramid being part of the emblem of the OTO there is also an inverted dove which symbolizes destruction. This same dove symbol is found in the logo for the Trinity Broadcasting Network (TBN), in between a White horse and a lion, resembling very much the coat of arms of Prince Charles.

Here is the **Coat of Arms of Prince Charles of Wales.**

## Occult Symbols

### Revelation 13:2

2 And the beast which I saw was like unto a leopard, and his feet were as the feet of a bear, and his mouth as the mouth of a lion: and the dragon gave him his power, and his seat, and great authority.

This verse of the Bible describes very precisely the creature on the left side of the coat of arms, since in this type of illustrations of heraldry, a lion is supposed to have 3 claws while a bear has 4. Also, the torso of the animal seems to be a bit too skinny for a lion, looking more like that of a leopard, however the head, or in the case of the scripture, the mouth, is that of a lion.

Next to these characteristics, there is also the fact that when Charles was receiving his power as Prince of Wales, the ceremony was done right in front of a Dragon located in London and during the ritual it was said to him that he was receiving that power from the Dragon.

## Occult Symbols

Here are some examples of the latest fashion with occult symbols:

People of God, please make sure that you and your children are not wearing the fatigues of the occult and anti-christ. These cloths are very fashionable and appealing to the eye, but so was the Tree of the Knowledge of Good and Evil. Please stop eating from that tree and invoking curses into your life and the life of your children. It is time for Godly Wisdom; pray and ask the Lord for His wisdom and if you seek Him with your whole heart you will find it.

James 1:1-6 James, a servant of Yahweh and of the Yahshua the Messiah, to the twelve tribes which are scattered abroad, greeting. My brethren, count it all joy when ye fall into divers temptations; Knowing this, that the trying of your faith worketh patience. But let patience have her perfect work, that ye may be perfect and entire, wanting nothing. **If any of you lack wisdom, let him ask of Yahweh, that giveth to all men liberally, and upbraideth not; and it shall be given him.** But let him ask in faith, nothing wavering. For he that wavereth is like a wave of the sea driven with the wind and tossed.

**May Yahweh Bless you all,**
